GOING WITH FAMILY?

These places have been certified as family tourism destinations

Calella, Pineda de Mar, Santa Susanna, Malgrat de Mar, Castelldefels, Vilanova i la Geltrú and Berga... all these places are a stone's throw from Barcelona and well connected by train and road, in addition to being certified as Family Tourism Destinations (DTF).

Calella offers a wide range of accommodation, restaurants and activities for the whole family, with magnificent beaches and small coves.

Pineda de Mar is a wonderful family destination, in a quiet and relaxed setting, and offers sporting activities and guided tours of the surrounding area.

In Santa Susanna, the Platja de les Dunes beach has a kids' club, a water sports centre and an interesting range of nature activities.

Malgrat de Mar has more than 60,000 m2 of parks, which makes it perfect for the whole family, especially kids. On Platja de l'Estillero, families can enjoy the Miniclub free of charge all summer.

Castelldefels has a variety of high-quality resources and services especially for families, including a range of accommodation and restaurants to suit your needs, varied leisure options and an extensive entertainment programme. All designed for the little ones, who will make your holiday an unforgettable experience.

In Vilanova i la Geltrú, the whole family will be able to discover and enjoy everything the sea and beach have to offer, as well as joining in with the local fiestas and experiencing the town's culture. Kids will be able to play in the large squares and pedestrianised streets, learn about history in an original way and have fun with all the activities that await them.

Berga is the gateway to the Pyrenees. Families who enjoy the outdoors can scale the Queralt mountain range or experience all kinds of activities in nature, from canoeing in the La Baells reservoir to horse riding. Near Pedraforca, children can enjoy an adventure circuit surrounded by nature in Palomera Park.

In addition, all these towns offer families a wide range of services: a beach nursery, babysitting services, hotels with entertainment programmes, restaurants with children's menus... Packages including accommodation and an interesting range of activities can also be purchased at the Santa Susanna and Vilanova i la Geltrú water sports resorts.
